Los Arqueros Golf & Country Club is a prestigious golf club located in the municipality of Benahavís, near Marbella, in the province of Malaga, Spain. The club was designed by the legendary Spanish golfer Severiano Ballesteros and opened its doors in 1991. It is known for its beautiful setting in the Sierra de Ronda foothills, offering panoramic views of the Mediterranean Sea and the surrounding mountains.

The history of Los Arqueros Golf & Country Club dates back to the late 1980s when Ballesteros, who had achieved great success as a professional golfer, embarked on a career in golf course design.

One of Andalucía's best-kept secrets, Benahavis is just a few minute's drive from Los Arqueros, the village itself is a delightful pueblo, with narrow cobbled streets, that still keep the original Moorish layout with some shops and a simply amazing choice of restaurants. It is known locally as the 'dining room' of the Costa del Sol.
