Apartment Two - This is a bed-sit apartment with good internal storage, a separate kitchen, and a lovely side terrace with superb views. This is perfect for al fresco dining, overlooking the mountains and the golf. Excellent bathroom and storage make this a superb opportunity for rental investment.

Both apartments are rental-ready. Should a prospective purchaser wish to configure the apartments back to one, this is a flexible option - thus creating a '2 bedroom/2 bathroom' family apartment this is easily adapted since the wall that divides the two apartments can be removed to create one large apartment.

The community fees are inclusive of heating and air-con, water, and building insurance.

The apartments have the added benefit of being in a UK company, presenting the opportunity to acquire the company and pay a UK Stamp Duty - only 0.5% as opposed to the Spanish property purchase tax.

Community Fees €3,516 /Year (€293 /month)
IBI Fees €600 /Year
