The design principle for this contemporary estate is being at one with nature, complementing the needs of the changing seasons while making the most of Marbella's micro-climate. Every angle of the living/bedroom areas has been thoughtfully designed to maximise its views, over the landscaped grounds towards La Concha and the Mediterranean sea.

The villa has been distributed between 3 levels, all throughout you can find stylish design features, bright open-plan rooms and a kitchen with the highest quality appliances. The first floor consists entirely of the lavish master suite, with a noble walk-in closet and complete en-suite bathroom; the remaining 3 bedroom suites are found on the ground floor.

The basement level is an entertainers delight, hosting a TV lounge and snooker area, an indoor heated pool, sauna and a fully equipped gym which can easily be converted into an extra bedroom if necessary. A car charger has been integrated into the garage.
